The EU type-examination certificate refers to the above mentioned product. This is to certify that the product complies with the essential requirements of Annex II of the regulation 2016/425/EU. This certificate does not imply assessment of the production of the product and does not permit the use of a TÜV Rheinland mark of conformity. The holder is entitled to use this certificate in connection with the declaration of conformity in accordance with Annex IX. In case of category III products this certificate shall only be used in conjunction with one of the conformity assessment procedures referred to in point (c) of Article 19 of the Regulation 2016/425 EU.
