LIQUID PROTECT disinfectant wipes for hands and surfaces clean and disinfect quickly and reliably. Skin-friendly and gentle on materials for simple hygienic cleanliness. Handy with a pleasantly fresh fragrance.

With an antimicrobial effect for effective elimination of viruses, bacteria, yeasts and fungi.

LIQUID PROTECT disinfectant wipes are ideal for disinfecting sensitive surfaces such as smartphones, tablets, displays, keyboards, your workstation or reception desk.

Area of application

Automotive **Disinfection**

LIQUID PROTECT disinfectant wipes are ideal for disinfecting vehicles thanks to their gentle disinfecting properties. Ideal for sensitive surfaces, for disinfecting inside and outside, both on receipt of the vehicle (predisinfection) and on return (post-disinfection), for all service work on the vehicle.

Use LIQUID PROTECT disinfectant wipes to disinfect the vehicle after every contact. For example, before handing over the vehicle, after servicing, for your customer reception area and your new car showroom.
